The Division received your application for the above-noted permit renewal on June 9, 2008. Pursuant to R645-303-221, the Division completed the requisite 15-day Initial Review (IR) and accepts this application for a technical review. The Division anticipates this review will be completed by October 7, 2008.

If you have any questions, please call Jim Smith at (801) 538-5262 or Daron Haddock at (801) 538-5325.
